LOONEY BIRD'S

We would like to thank you for celebrating here at Looney Bird's today!

As a token of our appreciation, we are giving you this envelope with a special COUPON inside!

Looney Bird's is grateful that you attended a party here today.

This business has been established since, July27,2002. Because we are new around town, we like to give everyone some information on what we are.

Looney Bird's is a family owned restaurant not a corporation. Hopefully, you will feel and see the love and care the owners give to this restaurant. The owners, Scott and Ti Somerville, work on site all 7 days. It was a dream of theirs to bring this community a restaurant designed for families.

One of our biggest problems is that everyone thinks we are just for parties. Looney Bird's is a pizzaria open 7days a week. We have been told by many patrons we have the best pizza in town!!!

Attached is our menu and some coupons. We hope you come again for lunch or dinner. Take out and delivery by Menu Express is also provided.

Please tell all of your family and friends about us. Word of mouth is always the best advertisement. We would like to continue being a restaurant "Where families come to play."
